**Project Status Update:**

In this quarter, the County Attorney's Office continued negotiations initiated last quarter to acquire the approved construction plans. It anticipated the agreement will be completed by fall of 2014. Once the agreement is executed, DTCI will initiate the Land Acquisition phase for the right of way acquisition. DTCI will also design a trail along the approved roadway. Depending upon right of way and easement acquisition, DTCI will target a construction bid date for Spring /Summer 2015.
